

Reality Mentality

Joan Jett

Wanna be a star
Well just lower the bar
Humiliation becomes routine
What you're playin' out on your TV screen

You say, "Hey look at me" (Hey look at me)
The famous chickie
Competin' for a post on my thousand block(?)
Uppin' the ante for celebutante

Reality mentality (reality mentality)
Whoa oh oh
Reality mentality (reality mentality)
Whoa oh oh

Did you look today?
You can't look away

Aow!

It's getting' shticky out there
Now it's buyer beware
Stone machinery is employed
You say, "Hey enjoy the show"
And shut employed(?)

It's a reality mentality (reality mentality)
Whoa oh oh
Reality mentality (reality mentality)
Whoa oh oh

Did you look today?
You can't look away

Aow!

It's demeaning
Needs depleting
Dramatize and stylize for a price
A fame and misfortune, a guise of life

You live reality mentality (reality mentality)
Whoa oh oh
Reality mentality (reality mentality)
Whoa oh oh

Reality mentality
Reality mentality
Reality mentality
Reality mentality
Whoa oh oh
