

# I Don't Need No Doctor

Joan Osborne

I don't need no doctor  
'Cause I know what's ailing me  
I don't need no doctor no no  
'Cause I know what's ailing me  
Been too long away from my baby  
And I'm coming down with misery

(I don't need no doctor)  
(I don't need no doctor)

I don't need no doctor  
For my prescription to be filled

(I don't need no doctor)  
(I don't need no doctor)

I don't need no doctor no no  
For my prescription to be filled

(I don't need no doctor)  
(I don't need no doctor)

Only in my baby's arms  
Can I ever take away this chill

(I don't need no doctor)  
(I don't need no doctor)

Doctor says I need rest  
What I need is his tenderness  
Put me on the critical list  
All I need is his sweet kiss  
Gave me a medicated lotion  
But it didn't soothe my emotion

(I don't need no doctor)  
(I don't need no doctor)

Mmm talk about it now

Doctor says I need rest  
What I need is his tenderness  
Put me on the critical list  
What I need is his sweet kiss  
Gave me a medicated lotion  
But it didn't soothe my emotion

(I don't need no doctor)  
(I don't need no doctor)

I don't need no doctor  
All my hope to live is gone

(I don't need no doctor)  
(I don't need no doctor)

I don't need no doctor no no

'Cause my hope to live is gone

(I don't need no doctor)

(I don't need no doctor)

All I need is my baby
