

I Want To Be Loved

Joan Osborne

The spark in your eye sets my soul on fire
Your voice is like angels above
The touch of your hand drives me insane
Baby, I want to be loved

(Wanna be loved, wanna be loved)
Baby, I want to be loved
(Wanna be loved, wanna be loved)
Baby, I want to be loved

I'm crazy 'bout every little thing you do
I cherish the way you hug
Your kisses so sweet just can't be beat
But baby I want to be loved

(Wanna be loved, wanna be loved)
Baby, I want to be loved
(Wanna be loved, wanna be loved)
Baby, I want to be loved

Every time I ask you for a date
You don't come at all or you're my late
I ask you to dance, want little spin
You say wait a minute, mummy, here come my friend

Every time I ask you for a date
You don't come at all or you're my late
I ask you to dance, want little spin
You say wait a minute, mummy, here come my friend

I love the way you walk when you're passing by
Even when you try to snub
Kills me every time you give me the eye
Baby I want to be loved

(Wanna be loved, wanna be loved)
Baby, I want to be loved
(Wanna be loved, wanna be loved)
Baby, I want to be loved

(Wanna be loved, wanna be loved)
Baby, I want to be loved
(Wanna be loved, wanna be loved)
Baby, I want to be loved
