

# Serve You Only

Joann Rosario

I'm a tell you like daddy told me  
In everything you do give God the glory  
Every opportunity you're given  
Sing your song for two as you would for a thousand  
Always keep this thought in mind  
Build the kingdom and you'll find  
The Heavens will smile on you

Lord in everything we do  
Don't wanna ever take our eyes off You  
Need Your spirit like we need to breathe  
We wanna serve You only  
(2x)

As you walk out your purpose  
When times get hard tell yourself it's worth it  
The bottom line is you hold on  
And you must believe through His spirit we're made strong  
Always keep this thought in mind  
Build the kingdom and you'll find  
The Heavens will smile on you

Lord in everything we do  
Don't wanna ever take our eyes off You  
Need Your spirit like we need to breathe  
We wanna serve You only  
(2x)

I am nothing  
Nothing without Your blessing  
Teach me how  
How to stay in Your presence  
(2x)

Lord in everything we do  
Don't wanna ever take our eyes off You  
Need Your spirit like we need to breathe  
We wanna serve You only  
(2x)

We lift Your name  
All Your goodness we proclaim  
And because You reign  
We will trust in You  
Just wanna serve You, serve You  
Just wanna serve You, serve You  
Just wanna serve You, serve You  
Just wanna serve You only
