

Little Devil

Jocelyn Alice

You said, "be careful," why would I?
You said, "don't hurry," but why?
Love is a fury that came tonight
A little devil in the pale moonlight
Love is a fury I kinda like

When you're looking at me with those eyes
Baby, I've got no hope
I got no patience, ain't got no self control
I don't ever want to leave this night
I don't want to go slow
'Cause I got no patience, ain't got no self control

They thought they knew me, I lied
I've got a demon inside
Love is a fury that brings to life
My little devil in the pale moonlight
Love is a fury, I kinda need it tonight

When you're looking at me with those eyes
Baby, I've got no hope
I got no patience, ain't got no self control
I don't ever want to leave this night
I don't want to go slow
'Cause I got no patience, ain't got no self control

How could I stop it when you do me like you do?
A little devil's out back
Reminding me that I'm just another fool
How could I stop it when I'm just as bad as you?
A little devil in black on both of our backs
With no angel there to choose

When you're looking at me with those eyes
Baby, I've got no hope
I got no patience, ain't got no self control
I don't ever want to leave this night
I don't want to go slow
'Cause I got no patience, ain't got no self control
