

# Spin Cycle

Jocelyn Alice

No one's to blame  
A heart doesn't jump if the love isn't high  
No one's the same  
A heart isn't changed, it's love isn't wild  
I'm not free  
My body's the ash, my heart is a fire  
Big butterflies  
My heart jumped tonight

You got me in a spin cycle  
Why am I more dirty than I've been before?  
You don't ever make it seem like it's a chore  
While you're busy tossin' me, tossin' me  
T-t-tossin' me, tossin' me  
Yeah, you got me in a spin cycle  
Why am I more dirty than I've been before?  
You don't ever make it seem like it's a chore  
While you're busy tossin' me, tossin' me  
T-t-tossin' me, tossin' me up

My heart is wound  
A body don't move if the love isn't high  
Up and then down  
My body says when, my body says why  
And I'm not free  
My heart is a victim, your love is a crime  
Big butterflies  
My heart jumped tonight

You got me in a spin cycle  
Why am I more dirty than I've been before?  
You don't ever make it seem like it's a chore  
While you're busy tossin' me, tossin' me  
T-t-tossin' me, tossin' me  
Yeah, you got me in a spin cycle  
Why am I more dirty than I've been before?  
You don't ever make it seem like it's a chore  
While you're busy tossin' me, tossin' me  
T-t-tossin' me, tossin' me up

Tossin' me, tossin' me  
T-t-tossin' me, tossin' me up  
Tossin' me, tossin' me  
T-t-tossin' me, tossin' me up

You fill me up to the top, I'm 'bout to pop  
I can't help it 'cause you r-r-run me on hot  
Said it'd die, but it never dies  
I can't ever get enough  
So I'm fightin' it less and, yes, I'll confess  
More I tumble, the more d-d-dizzy I get  
More into you than I ever was  
No way around it now, it must be love

You got me in a spin cycle  
Why am I more dirty than I've been before?  
You don't ever make it seem like it's a chore

While you're busy tossin' me, tossin' me  
T-t-tossin' me, tossin' me  
Yeah, you got me in a spin cycle  
Why am I more dirty than I've been before?  
You don't ever make it seem like it's a chore  
While you're busy tossin' me, tossin' me  
T-t-tossin' me, tossin' me up
