

Can We Flo?

Jodeci

Lay down, lay down, lay down, lay down, lay down!

Let me take you on a fantasy, can I do that?
Just grab on tight and hold my body!
I'm gonna take you where, where you want
Just get on top and hold me down, baby!

Girl, don't you know, I feel you so
Can we just flow? Can we just flow to nowhere?
Girl, don't you know, I feel you so (I feel you so)
Can we just flow? Baby [?]

Can we get down? Get on down! Time to get down! [x2]

That smile you got just looks so fly
I don't want to [?] 'cause you already got me high
Can you see, we don't tryin' to go
I just want you to lay back and feel my flow!

Girl, don't you know, I feel you so
Can we just flow? Say't again! Say't again!
Girl, don't you know, I feel you so
Can we just flow? [?]

Yeah, get on down! We gon' flow! Check it, check it out!
Girl, don't you know, I feel you so! Can we just flow?

So I beez rollin' in my six-fo', bouncin' in my thrizzay
'Bout to fetch a trip and about to get busy on the set
But first I got to these [?]
'Cause I beez the letter D, rollin' wit the Jodeci

And all the players rollin' get close to me
Smoking with the old-timey Mickey D
And Baby, don't you wanna get with me?
'Cause I'm so freaky!

Get down! Get down! Get down!
And Babe you ought to get on down!
Get down! Get down! Get down!
And Babe you ought to get on down!

Get down! Get down! Get down!
And Babe you ought to get on down!
Get down! Get down! Get down!
Yo player! Yo, help me wit' the sound!
