

Borderline

Jody Watley

Something in the way you love me
Just won't let me be
I don't want to be your prisoner
So baby, won't you set me free?

Stop playing with my heart, finish what you start
When you make my love come down
If you want me let it show, baby, let me know
Honey, don't you fool around

Just try to understand
I've given all I can
But you've got the best of me

Borderline
It feels like I'm going to lose my mind
You keep pushing my love
Over the borderline

Borderline
It feels like I'm going to lose my mind
You keep pushing my love
Over the borderline, yeah, yeah

Something in your eyes
Is making such a fool of me
When you hold me in your arms
You love me till I just can't see

But then you let me down when I look around
Baby, you just can't be found
Stop driving me away, I just wanna stay
And there's something I just got to say

Just try to understand
I've given all I can
And you've got the best of me

Borderline
It feels like I'm going to lose my mind
You keep pushing my love
Over the borderline

Borderline
Feels like I'm going to lose my mind
Keep pushing my love
Over the borderline
