

# Everything You Do

Jody Watley

Lucky, lucky me  
I've got my hands on you  
I had to wait around  
But finally I'm the lucky one  
I knew it from the start  
That you would break my heart  
Still I insist today  
I wouldn't have it any other way

I ain't mad at you, oh, no  
For running your game  
In fact I can't blame you  
It was my idea to play  
There's no use pretending  
I'm not letting go  
I think I should you want you  
I think that you should know

It makes me moan  
When we're alone  
Alone, just me and you  
(With you, boy)  
I'm so at home  
'Cause you're the bomb  
With everything you do  
So would you mind  
If you had the time  
If I can't deal with you  
Don't change a thing  
I'll try and hang  
With everything you do, boy

Lucky, lucky you  
You got your cake and ate it too  
They label me the fool  
I label me the lucky one  
You captivate my heart  
You cast your spell on me  
You waved your magic wand  
Now I'm feeling like the lucky one

I ain't mad at you, hey, man  
For running your game  
In fact I can't blame you  
It was my idea to play  
There's no use pretending  
I'm not letting go  
I think I should you want you  
I think that you should know

It makes me moan  
When we're alone  
Alone, just me and you  
(Ooh-oooh-oooh...)  
I'm so at home  
'Cause you're the bomb  
With everything you do

So would you mind  
If you had the time  
If I can't deal with you  
Don't change a thing  
I'll try and hang  
With everything you do, boy

It makes me moan  
When we're alone  
Alone, just me and you  
I'm so at home  
'Cause you're the bomb  
With everything you do  
(Ooh-ooh-ooh...)  
So would you mind  
If you had the time  
If I can't deal with you  
Don't change a thing  
I'll try and hang  
With everything you do, boy

Mmm-mmm, you're the bomb  
With everything you do, boy

It makes me moan  
When we're alone  
Alone, just me and you  
I'm so at home  
'Cause you're the bomb  
With everything you do  
So would you mind  
If you had the time  
If I can't deal with you  
(Ooh-ooh...)  
Don't change a thing  
I'll try and hang  
With everything you do, boy

It makes me moan  
When we're alone  
Alone, just me and you  
I'm so at home  
'Cause you're the bomb  
With everything you do  
So would you mind  
If you had the time  
If I can't deal with you  
Don't change a thing  
I'll try and hang  
With everything you do, boy
