

# Don't Burn Down That Bridge

Joe Bonamassa

You got your mind set on leavin'  
Drive down a one-way street  
You're gonna lock up all the doors child  
Throw away the key

Don't burn down that bridge darlin'  
Just might want to come back  
'Cuz the grass ain't no greener  
On the other side of the track

Well you counted me out  
'Fore I could get you back  
Today I'm drivin' a Chevrolet darlin'  
Tomorrow might be a Cadillac

Don't burn down that bridge darlin'  
Just might want to come back  
'Cuz the grass ain't no greener  
On the other side of the track

All your so-called friends  
Taught you how to cheat and lie  
Now you say you're gonna jump honey  
From the fryin' pan into the fire

Don't burn down that bridge darlin'  
Just might want to come back  
'Cuz the grass ain't no greener  
On the other side of the track
