## **Funkier Than a Mosquito's Tweeter**

## Joe Bonamassa

You're nothin' but a dirty, dirty old man You do your thinkin' with a one track mind Keep talkin' 'bout heavens glory On your face is a different story

Clean up your rap, your story's gettin' dirty Wash out your mouth, your lies are gettin' rusty Can't believe nothin' you say I'm around and I see what you do

You know you're funkier than a mosquito's tweeter You got a mouth like a herd of boll weevils Same ol' game, same ol' thing You never changed, always rappin' 'Bout the same ol' thing, yeah

Blowin' minds is a thing of the past You blew your chance that's why it never last You wanna be a graduated mother But in reality you're just another brother

You think you're slick
You can't stand a lot of greasin'
Things you do ain't never really pleasin'
Can't believe nothin' you say
I'm around and I see what you do

You know you're funkier than a mosquito's tweeter You got a mouth like a herd of boll weevils Same ol' game, same ol' thing Always rappin', always rappin' 'Bout the same ol' thing, yeah

You put yourself upon a big stool
There's nothin' worse than an educated fool
Talkin' sex is your favorite conversation
Peace and love is a famous generation

What's in your head has really, really started Showing your conversation's all gettin' boring Can't believe nothin' you say I'm around and I see what you do

You know you're a funkier than a mosquito's tweeter You got a mouth like a herd of boll weevils Same ol' game, same ol' game Same ol' thing, same ol' thing Always rappin', always rappin' 'Bout the same ol' thing, yeah
