

# I'll Take Care Of You

Joe Bonamassa

I know you've been hurt  
By someone else  
I can tell by the way  
You carry yourself

But if you'll let me  
Here's what I'll do  
I'll take care of you

I, I loved and lost  
The same as you  
So you see I know  
Just what you've been through

And if you'll let me  
Here's what I'll do  
I just have got to take care of you

You won't ever have to worry  
You don't ever have to cry  
I'll be there beside you  
To dry your weeping eyes

So darlin' tell me  
That you'll be true  
'Cause there's no doubt in my mind  
I know what I want to do

And just as sure  
One and one is two  
I just got, I got to take care of you  
I just got to take care of you  
Take care of you
