

## Lazy Poker Blues

Joe Bonamassa

Yeah, me and my baby don't do nothing  
But lay around all day long  
Me and my baby don't do nothing  
But lay around all day long  
Yeah, when I'm with my baby  
Lazy poker goin' on

She puts some coal on the fire  
So I can keep my poker hot  
She puts some coal on the fire  
So I can keep my poker hot

Well, we stoke around all day long  
Nighttime we stoke some more

Oh, me and my baby don't do nothing  
But lay around all day long  
Oh, me and my baby don't do nothing  
But lay around all day long  
When I'm with my baby  
There's some lazy poker goin' on
