

# Savannah

Joe Bonamassa

Oh, Savannah  
Lay my burden down  
Spent my life in the same old rust town  
Oh, Savannah  
Time is moving fast  
Living life in the land of the long grass

I'm a man who knows  
Which way the river flows  
I'm a man of means  
But nothing will set me free  
Nothing will set me free

Oh, Savannah  
Oh, Savannah  
You're more than home to me

Oh, Savannah  
Pick up your heart and run  
I've raised some Cain and I sure did have my fun  
Oh, Savannah  
Down on wounded knee  
When it all comes down it's always you and me

When I found my pride  
For digging deep inside  
I bared my soul  
But this is the way to go  
This is the way to grow

Oh, Savannah  
Oh, Savannah  
Life on the long road

Oh, Savannah  
It's good to be the king  
You broke me down but again I'm rising  
Oh, Savannah  
Now that it's all begun  
I took the money but forgot to run

When I was running wild  
At least I did in style  
When I sang my song  
I knew this day would come  
I knew it all along

Oh, Savannah  
Oh, Savannah  
Oh, Savannah  
Oh, Savannah  
You're more than home to me
