

# Green Eyes

Joe Brooks

If only I could change but  
It doesn't come around,  
This jealousy it taints  
Everything that I'm about

If only I could be like you but  
It doesn't come around.

La da da da da da die,  
Oh why, oh why,  
Just say good bye step off your throne  
Oh no, and it's all because, it's all because of you.  
Oh I, I fall because, I fall because of you.  
And finally, I'm free because I'm free because,  
I'm free because you showed me how  
To love lo-love who you truly are,  
Not la da not who you want to be.

So do you think like me, do you ever fall apart,  
Would your eyes turn green,  
If they told me I'd go far

If only I could be like you  
Cos I'm falling apart,  
I can't stand to see your face,  
Cos you remind me who we are

La da da da da da die,  
Oh why, oh why,  
Just say good bye step off your throne  
Oh no, and it's all because, it's all because of you.  
Oh I, I fall because, I fall because of you.  
And finally, I'm free because I'm free because,  
I'm free because you showed me how  
To love lo-love who you truly are,  
Not la da not who you want to be.

La da die, La da die, La da die  
La da die, La da die, La da die

I'm fallen, I'm fallen, I'm fallen, I'm fallen...

Oh no, and it's all because, it's all because of you.  
Oh I, I fall because, I fall because of you.  
And finally, I'm free because I'm free because,  
I'm free because you showed me how  
Let it be, let it be. let it be, let it be,  
Let it be, let it be, let it be, let it be oh c'est la vie  
Let it be, let it be, let it be, let it be,  
Let it be, let it be, let it be, let it be oh c'est la la la la la la la la la

Love who you truly are and,  
I'm free because you showed me how to....
