

Toronto

Joe Brooks

Midas lived a life charmed with all that's gold
He learned they'll tempt your heart before they weigh your soul
The king played a beat we all followed
Danced through the night 'til the sun it glowed
I don't plan to get caught with my trousers down that low

Take me home
Take me higher than we've ever been before

Oh Toronto
Oh Toronto
Oh Toronto, yeah
Take me home

We're young, excited, holding tight
And we only live once
I guess we only live once
Tonight we only live once

This distant stay will forever mock me
My heart has said to run free
But my mind is in another place and time
I guess I left Toronto with mine

Take me home
Take me higher than we've ever been before

Oh Toronto
Oh Toronto
Oh Toronto, yeah
Oh, take me home, baby

Oh Toronto
Oh Toronto
Oh Toronto, yeah
Oh, take me home, baby

(Take me to the bridge)

Take my keys or my money
Take my heart, I'll just leave you, honey
Oh, take me home
Oh, take me home
Oh, take me home
Oh, take me home

Take my keys or my money
Take my heart, I'll just leave you, honey
Oh, take me home (take me home)
Oh, take me home (take me home)
Oh, take me home (take me home)
Oh, take me home (take me home)

Oh, take me home (take me home)
Oh, take me home (take me home)
Oh, take me home (take me home)
Oh, take me home (take me home)

Oh

Oh, take me home, baby
