

Living Without Your Love

Joe Cocker

I don't know what it is you got
But it's plain enough to see
Whatever it is, sure
Means a lot to me, oh yeah
I try to turn and walk away
But it does no good, I've gotta stay
This feelin' that you give
Won't let me be, oh no
You really got a hold on me, yeah, yeah
I can't live without your love
I can't live without your love
I can't live without your love
I don't know what it is you give
But I can't live without your love
Everywhere I see your face
Even though my foolish pride
I must admit I've got
No place to hide, oh no
You're even living in my mind
It's getting to the point where I find
A day without you is like
A long lonely ride, yeah, yeah
You really got a hold on me, yeah, yeah
I can't live without your love
I can't live without your love
I can't live without your love
I don't know what it is you give
But I can't live without your love
Way that you're coming to me
Amazes me to no end
I turn my back on your love
And people tell me now that I look like
I done lost my only friend, yeah
I don't know what it is you give
But I can't live
I don't know what it is you give
But I can't live
I don't know what it is you give
But I can't live without your love, yeah
I can't live without your love
