

Naked Without You

Joe Cocker

What have I done I've broke your heart
Now there's no sun just cold and dark
Without your smile I can't laugh
Without you baby I'm just a half
I didn't know what I had
I didn't know I'd feel this sad
But I feel

Naked without you
I feel naked without you
I feel naked without you

What have I done I've broke a vow
But I'm the one who's crying now
Without your touch I can feel
Without your forgiveness I can't heal
No body else can take your place
And if I don't see your angel face

Girl I feel naked without you
I'm still crazy about you
I feel naked without you

I hurt the one that really loved me
Don't look at me I feel ugly
Naked without you

I'm so tired that I can't sleep
I threw away a love so deep

I feel naked without you
I feel naked without you
Naked without you
I feel naked without you in my head
I feel naked without you in my bed
Naked without you hey baby
Naked without you and I feel
Naked without you
While you see a chance

Stand up in a clear blue morning
Until you see what can be
Alone in a cold day dawning,
Are you still free, can you be
When some cold tomorrow finds you
When some sad old dream reminds you
How the endless road unwinds you
When there's no one left to leave you
Even you don't quite believe you
And that old grey wind is blowing
And there's nothing left worth knowing
While you see a chance take it
Find romance, fake it
Because it's all on you
