

# Wayward Soul

Joe Cocker

Strange days  
Out on my own  
I'm a wayward soul  
Comin' home  
Something so sweet  
At the end of the road  
yes I'm a wayward soul  
Comin' home

Some people got money  
Some people got fame  
All I had was confusion  
Calling out my name  
Found a new direction (found another direction)  
Don't have to be alone  
Just a wayward soul comin' home

Been kicked around  
Like you kick a stone  
Life has shown me things I've never known  
But there's something so sweet  
At the end of the road  
I'm just a wayward soul  
Comin' home

Some people got money  
Some people got fame  
All I had was confusion  
Calling out my name  
Found a new direction (found another direction)  
Don't have to be alone  
Just a wayward soul comin' home
