

You Came Along

Joe Cocker

God bless the gift of laughter
Thank God for a world of songs
God bless the day I found you
I'm so glad you came along

I swear I never felt like this before
You walked right through my door
And gave your love to me

I feel good, so good inside
I forgot just how to cry
All I ever do is smile

And I swear I never felt like this before
You walked right through my door
And you gave your love to me

I feel good, so good inside
I forgot just how to cry
All I ever do is smile
