

# Movin' Train

Joe Diffie

You build me up, just to knock me down  
I don't know what I'm gonna do  
I don't know why you're keepin' me around  
It's like steppin' on a movin' train just lovin' you

Once that train has left the station  
It might not be back  
A big ole locomotive is rollin' on down the track  
I got everything to gain  
I got everything to lose  
It's like steppin' on a movin' train just lovin' you

You got me spinnin' round like a hurricane  
Lord, I feel like such a fool  
I tell you girl, you're drivin' me insane  
It's like steppin' movin' train just lovin' you

Once that train has left the station  
It might not be back  
A big ole locomotive is rollin' on down the track  
I got everything to gain  
I got everything to lose  
It's like steppin' on a movin' train just lovin' you

Get ready here she comes  
Hear those steal rails ring  
Just close your eyes and jump  
It's a timin' thing

I got everything to gain  
I got even more to lose  
Like steppin' on a movin' train just lovin' you  
It's like steppin' on a movin' train just lovin' you
