

# My Heart's In Over My Head

Joe Diffie

I never thought I could get caught  
But you slipped in on my blind side  
I let down my guard, now I'm fallin' hard  
Gettin' lost in those deep blue eyes  
I'm standing here, when I know oughta run  
But, my shakin' knees tell me the damage has been done

My heart's in over my head  
And I'm feelin' like it's out of my hands  
I've never been to this depth  
Ain't no need to fight it, cause I know I'm sinking fast  
My heart's in over my head

Girl, I'm confused, will you excuse me  
If I seem to lose my head  
With each tender kiss, I see what I've missed  
I just might let you love me to death  
I know we've gone past the point of no return  
I don't understand it, but I think that I have learned

My heart's in over my head  
And I'm feelin' like it's out of my hands  
I've never been to this depth  
Ain't no need to fight it, cause I know I'm sinking fast  
My heart's in over my head

My heart's in over my head  
And I'm feelin' like it's out of my hands  
I've never been to this depth  
Ain't no need to fight it, cause I know I'm sinking fast  
My heart's in over my head

Yeah, my heart's in over my head
