

## Startin' Over Blues

Joe Diffie

I put my beer down somewhere  
I'll find it if I can  
One thing that woman couldn't handle  
Is an absent minded man  
Now I'm sittin' here wonderin'  
Where she is  
When I'm the one that's lost  
I just keep driftin' off

I got the startin over blues  
Sometimes I don't know where to start
