

(Don't Put A) Lock On My Heart

Joe Ely

I got your letter in the mailbox, honey
Love flys, when your far away
When I get home I'll give you all a my money

Don't Put a Lock on My Heart
Don't Put a Lock on My Heart
Don't Put a Lock on My Heart!

Time will tell about romantic situations
Recollections are my only friend
I'll call you baby when I reach my destination

Don't Put a Lock on My Heart
Don't Put a Lock on My Heart
Don't Put a Lock on My Heart!

We can arbitrate with sexy incantations
Fill the void like we used to do
Growin' old is just a minor complication

Don't Put a Lock on My Heart
Don't Put a Lock on My Heart
Don't Put a Lock on My Heart!
