

Mardi Gras Waltz

Joe Ely

It's a hot and a rockin' street
All-right, all-right
Burns my jumpin' feet
Tonight, tonight
Lightnin' flies are shinin'
All-right, all-right
Mardi Gras' unwindin'
Tonight, tonight
I'm gonna paint this town red
And sail the ocean blue
Stay by me, Honey I'll stand by you
Jolie Blon how are you

All right, all right
My Swansio, how are you
Tonight, tonight

I'm gonna paint this town red
And sail the ocean blue
Stay by me, Honey I'll stand by you

It's a hot and rockin' street
All right, all right
Burns my jumpin' feet
Tonight, tonight
