

Tonight I Think I'm Gonna Go Downtown

Joe Ely

Tonight I think I'm gonna go downtown
Tonight I think I'm gonna look around
For something I couldn't see
When this world was more real to me
Yeah tonight I think I'm gonna go downtown

My love, my love has gone away
My love, my love what can I say
My love would never see
That this world's just not real to me
And tonight I think I'm gonna go downtown

I told my love a thousand times
That I can't say what's on my mind
But she would never see
That this world's just not real to me
And tonight I think I'm gonna go downtown

Tonight I think I'm gonna go downtown
Tonight I think I'm gonna look around
For something I couldn't see
When this world was more real to me
Yeah tonight I think I'm gonna go downtown
