

## Jamie G.

Joe Jackson

Jamie G. I want you  
Even though I know that I can't have you  
Even though  
I don't know which way you go  
I'm dying to come with you

What kind of times are these  
A guy can't do what he pleases  
But the way that you tease  
I'd risk all diseases

Jamie G. I want you  
Even though I know that I can't have you  
Even though  
I don't know which way you go  
I'm dying to come with you

C'mon let's drink champagne  
Before they bring back Prohibition  
Smoke a pack or two  
Then try another position

Jamie G. I want you  
Even though I know that I can't have you  
Even though  
I don't know which way you go  
I'm dying to come with you
