

## One More Time

Joe Jackson

Tell me one more time, as I hold your hand, that you don't love  
me

Tell me one more time as teardrops start to fall  
Shout it to me and I'll shout it to the skies above me  
That there was nothing after all

Baby, baby, tell me that you never wanted my loving  
Baby, baby, tell me that you never, tell me, tell me  
One more time, one more time, say you're leaving, say goodbye  
One more time, one more time, say you're leaving, say goodbye

Tell me one more time we never had a thing in common  
Tell me one more time as you turn and face the wall  
Tell me I should know you never were my kind of woman  
And tell me we were fools to fall

Baby, baby, tell me that you never wanted my loving  
Baby, baby, tell me that you never, tell me, tell me  
One more time, one more time, say you're leaving, say goodbye  
One more time, one more time, say you're leaving, say goodbye

Tell me one more time your tears are only sad confusion  
And tell me it's just been so long and that is all  
Tell me one more time that love was only my illusion  
You never answered to my call

Baby, baby, tell me that you never wanted my loving  
Baby, baby, tell me that you never, tell me, tell me  
One more time, one more time, say you're leaving, say goodbye  
One more time, one more time, say you're leaving, say goodbye  
One more time, one more time, say you're leaving, say goodbye  
One more time
