

# It's Party Time

Joe Jonas

There's a place you gotta be  
A thousand leagues beneath the sea  
And it's waitin' over here for you and me  
Gonna take you for a ride  
But first, you gotta come inside  
Get ready for...the party's on tonight!

So pack up, cash in  
And get ready to begin  
Toss the dice, once or twice  
Baby, we're winning  
Ain't no sense  
So relax and just unwind  
Leave your worries all behind  
And get ready for...the party on tonight!

Oh, smalls, the bigs are on the way  
'Cause when the big fish come to train  
Guarantee you have best night of your life  
Dry your socks and shine your shoes  
Tell your friends to spread the news  
We're ready 'cause the party's on tonight

So pack up and cash in  
And get ready to begin  
Toss the dice, once or twice  
Baby, we're winning  
Ain't no sense  
So relax and just unwind  
Leave your worries all behind  
So get ready...it's party time!  
It's party time!
