

# See No More

Joe Jonas

It was Saturday when I got that call  
Far away from feeling tall  
I know, I know, I know what the truth is, yeah  
I tried to look away from what you did  
Heartache became my friend

You walked away from me baby  
I would've never done the same  
You made me feel like our love was not real  
You threw it all away, so...

I don't wanna wait for you  
I don't wanna wake up thinkin', hopin'  
You'll get it right this time  
'Cause you know that you're so cold  
I don't wanna see no more  
And I can't get away from you

It's one of the reasons why  
That I just can't get you out my mind  
And all I keep seein' is your picture  
But I don't wanna see no more  
But I don't wanna see no more  
I don't wanna see no more  
I don't wanna see no more  
I don't wanna see no more

It was so easy to trust you baby  
Guess I was so stupid baby  
I didn't ever think that this would come  
You're runnin' right to another one

You walked away from me baby  
You threw it all away, so

I don't wanna wait for you  
I don't wanna wake up thinkin', hopin'

You'll get it right this time  
'Cause you know that you're so cold  
I don't wanna see no more  
And I can't get away from you

It's one of the reasons why  
That I just can't get you out my mind  
And all I keep seein' is your picture  
But I don't wanna see no more  
But I don't wanna see no more  
I don't wanna see no more  
I don't wanna see no more  
I don't wanna see no more

I used to be afraid of letting go  
The fragile part me, i'm here right now  
I need you to set me free  
I can see it in your eyes  
That you won't blame on me this time

No, never  
And I want you back but I won't look back, no

I don't wanna wait for you  
I don't wanna wake up thinkin', hopin'  
You'll get it right this time  
'Cause you know that you're so cold  
I don't wanna see no more  
And I can't get away from you

It's one of the reasons why  
That I just can't get you out my mind  
And all I keep seein' is your picture  
But I don't wanna see no more  
But I don't wanna see no more  
I don't wanna see no more  
I don't wanna see no more  
I don't wanna see no more
