

# Keep On Goin'

Joe Jordan

Well, the sky's all black and its cold as hell  
This jacket ain't fittin' me all that well  
I paid too much for this watered down whiskey  
Made a lotta friends ain't got one with me

Now the winds got teeth biting on my face  
Breakin' in new boots that just won't break  
I reckon God on high don't like my tone  
Cause all the good I do turns out wrong

Well, I don't wanna love her but I wanna be loved  
I wanna fix myself, wanna get fucked up  
I wanna hold her hand, wanna walk that line  
I wanna bleach the hell out of my cheating eyes

I don't wanna stay here I don't wanna go home  
I wanna get drunk, I wanna get stoned  
I don't wanna spend another night alone  
I don't wanna die, but I sure don't wanna keep on goin'  
I don't wanna die, but I sure don't wanna keep on goin'  
But I keep on goin'  
I gotta keep on goin'

It's raining cats and dogs like the end of days  
An umbrella won't do it's coming down sideways  
Well, I eat when I'm down now my shirts don't fit me  
Made a lotta money ain't got a dime with me

I've been living at rock bottom way too long  
Yea, my heads too dumb and my hearts too strong  
Is that a light in the tunnel  
Or a long black train  
I've made it this far I'll take anything

I don't wanna stay here I don't wanna go home  
I wanna get drunk, I wanna get stoned  
I don't wanna spend another night alone  
I don't wanna die, but I sure don't wanna keep on goin'  
I don't wanna die, but I sure don't wanna keep on goin'  
But I keep on goin'  
I gotta keep on goin'  
Just keep on goin'

Gotta keep on goin', goin' til I'm gone  
Gonna keep on goin', goin' til I'm gone  
Gonna keep on goin', goin'  
'Til the chambers empty in my heartbeat gun  
Gonna keep on goin', goin' til I'm gone

I don't wanna stay here I don't wanna go home  
I wanna get drunk, I wanna get stoned  
I don't wanna spend another night alone  
I don't wanna die, but I sure don't wanna keep on goin'  
No, I don't wanna die, but I sure don't wanna keep on goin'  
But I keep on goin'  
I gotta keep on goin'

Gotta keep on
