

Can't Let You Go

Joe Lynn Turner

Day after day I'm waking up
To find that you're slipping away
Night after night
I can't fight the emptiness inside
There's nothing I can say
Now I know you're turning me away
It's only a disguise
But you don't have to hide cause
The truth is in your eyes tonight

I don't want to live a lie
But I don't want to say goodbye
And I can't let you go
even though it's over
I just can't let you go
I know your love is growing colder

One look in my eyes and you'd realize:
You got my heart in your hands
Won't you let me know something more
Where did we go wrong?

I don't want to fight
All I want to do is try and understand
I'm reaching out for you
Babe what can I do
I've been holding on so long

I don't want to live a lie
But I don't want to say goodbye
I can't let you go
Even though it's over
I just can't let you go
Though your love is growing colder
And I can't let you go
Even though it's over

I don't want to live a lie
But I don't want to say goodbye
I want you by my side
And I can't let you go
Even though it's over
I just can't let you go
I feel your love is growing colder
I can't let you go
even though it's over
I just can't let you go
(I) Feel your love growing colder

Don't go
Though I know it's over
I just can't let you go...
