

Eyes Of Love

Joe Lynn Turner

Well, I wonder where you're going 'to
You've been running from the start
Is it something that you're going through
Deep inside your hear
And I wonder who you're waiting for
Could that someone set you free
Cause the love that opens up the door
Is here inside of me
Could I be the one you're searching for
Are you just too blind to see
Cause you know no one could love you more
Ever love you more than me , Looking in the eyes of love
That's where I wanna be
Look in the eyes of love
That's where you'll find me
