

## Eyes Of Love

**Joe Lynn Turner**

Well, I wonder where you're going 'to  
You've been running from the start  
Is it something that you're going through  
Deep inside your hear  
And I wonder who you're waiting for  
Could that someone set you free  
Cause the love that opens up the door  
Is here inside of me  
Could I be the one you're searching for  
Are you just too blind to see  
Cause you know no one could love you more  
Ever love you more than me , Looking in the eyes of love  
That's where I wanna be  
Look in the eyes of love  
That's where you'll find me
