

# No Room for Love

Joe Lynn Turner

No back room confessions  
If you ask I won't deny  
It's too late to try and save my reputation  
I won't make no concessions  
Baby, I won't live a lie  
There's no way I can meet your  
expectations

Let's get it straight the first and last time  
No promises, no make believe at all  
I've got a hunger within  
Gonna ride on the wind  
Baby, I don't wanna stick around  
When the loneliness falls

There's no room for love, girl  
I've been there before  
If you're waiting for heartache  
It's outside your door  
Tonight we can hold on  
to heaven above  
But, baby, that's as far as we go  
There's no room for love  
No room for love

I'm a high flying gypsy  
I won't ever settle down  
Maybe I'll be cursed for all my trying  
Just an undiscovered mystery  
Never know where I'll be found

I hang my heart right where I'm lying

I'm gonna play it straight  
for the first time  
No promises, no illusions in your mind  
Like two ships in the night  
There's no wrong or right  
You better not close your eyes  
Or you're gonna wake up to find

There's no room for love, girl  
I've been there before  
If you're waiting for heartache  
It's outside your door

Tonight we can hold on to heaven above  
But, baby, that's as far as we go  
There's no room for love  
No room for love

There's no room for love, girl  
I've been there before  
If you're waiting for heartache  
It's outside your door  
Tonight we can hold on to heaven above  
Bu, baby, that's as far as we go ç

There's no room for love  
No room for love
