

Nothing's Changed

Joe Lynn Turner

Staring out the window
Reflection of my face
Looking at the lonely passing by
I'm hanging on a heart beat
The worlds a different place and I start to cry
Oh, and I don't know why

I saw you yesterday
Walking hand in hand
I wanna tell you how it hurt me so
I watched you turn the corner
Wondered why I never let you go
I don't know

I'm so tired of running from the past
I swear sometimes, I don't think I can last
I tried a million times
But I can't break the chains
You know I'll try a million more
And still comes up your name

Nothing's changed
I was on to something new
Though it would be easy
I'm still not over you

Nothing's changed
When I look into your eyes
All the same old memories
Take me by surprise

Nothing's changed

All my friends are talking
The word is on the street
But no one really knows what's in my heart
I know I got to move on
I guess I really never could go far

I'm so tired of running from the past
I swear sometimes, I don't think I can last

I tried a million times
But I can't break the chains
You know I'll try a million more
And still comes up your name

Nothing's changed
I was on to something new
Though it would be easy
I'm still not over you

Nothing's changed
I know it just ain't right
I see you when I'm dreaming
It happens every night

Nothing's changed
Nothing's changed
Nothing's changed
Nothing's changed

I'm so tired of running from the past
I swear sometimes, I don't think I can last
I tried a million times
But I can't break the chains
You know I'll try a million more
And still comes up your name

Nothing's changed
I was on to something new
Though it would be easy
I'm still not over you

Nothing's changed
No matter how I hard I try
I can't live without you
I can't say goodbye

Nothing's changed
Nothing's changed

Nothing's changed

Nothing's changed
Nothing's changed
I can't live without you, baby
I can't say goodbye
