

Prelude / Endlessly

Joe Lynn Turner

Girl, I want your love
You're everything I'm dreaming of
You will always be... a part of me
Lost inside your touch
Found I never felt so much
Hold me in your arms... love me tenderly
I believe... I will always be loving you endless
Can't you see...all I need is to love you endless
Give your heart to mine, 'Til the end of time
Forever we will find our love will be endlessly
I believe I will always be loving you endlessly
Can't you see... all I need is to love you
Endlessly, (Lonely)
What lovers' eyes have seen
But I will always be... in love with you
Endlessly... endlessly...
I will always be loving you endlessly
Endlessly... endlessly...
Together our hearts beat... forever... endless
Ad lib to fade
