

Your Love Is Life

Joe Lynn Turner

I've played with guns, I've burned with fire
There ain't nothing I won't try to do
But she's the one, she takes me higher
So far from myself, I can't cut loose

Reflections in the glass
I've been running from my past
I've been running so long I can't breathe

Now all I knew, I know. is nothing baby
Compared to freedom I found in your eyes
And all I am, I give to you believe me
With all that I've been through
I've come to find, Baby your love is life

I've past the end, I can't go back
She got me going round and round like a fool
But she's the one, she's everything that
Everything a man can't refuse

I've been wearing out my shoes
Hitting walls and breaking rules
Bul all this running led me right to you

Now all I knew, I know, is nothing baby
Compared to heaven I found in your eyes
And all I have, I share with you, it's easy
'Cause what I see in yon I realize
That, baby your love is life

Now all I knew, I know. is nothing baby
Compared to freedom I found in your eyes
And all I am, I give to you believe me
With all that I've been through
I've come to find, Baby your love is life

Now all I knew, I know. is nothing baby
Compared to freedom I found in your eyes
And all I am, I give to you believe me
With all that I've been through
I've come to find, Baby your love is life
