Double R's and dope sneakers (Oh, is that Kaniel again?)  
On jet like KanYeezy  
She tell me that she need it, she wet and go leakin'  
And when a nigga finish, I'm gon' eat it  
Chocolate like Serena, got a body and she mean it  
College-educated, I can see it, shawty demon  
Text her out the blue like, "Ooh, you bad," for no reason

Before I ever got the panties, she introduced me to her family  
You gotta meet my parents, and look, my daddy brazy

Got the spot that pay more 'cause she want pets  
She want more, she don't want less  
Summertime in a summer dress

Been a minute since a nigga really catered to you  
I am not out here just tryna lay with you  
I'm tryna pray with you too (That part, ayy)  
And if you wanna, you can stay on your knees 'til the sun come down (That pa
