

# Breathless

Joe Nichols

Girl I know you know it's coming  
There ain't no running from it  
Your eyes can't lie  
Yeah we held out way too long  
But we can't hold it off  
Tonight's the night  
It's so easy to slip out of touch  
Girl that's it, I've had enough  
I know you want me to  
So tonight I'm leaving you

I'm leaving you breathless, biting your lip  
Leave you hanging on the heat of the next kiss  
Closing your eyes, wanting one more  
Leave those torn up clothes on the hardwood floor  
Get you all turned on, all untied  
Leave you thinking that you're losing your mind  
Yeah I'm telling you baby, before the night is through, I'm leaving you  
I'm leaving you breathless

When that red there in the bottle  
Is way down in the bottom and the candle's gone  
Yeah the curtains will be drawn  
The shadows will be all that we got on  
Imma take my time, lay you down  
Take you by the hand  
Whatever I gotta do  
Tonight I'm leaving you

I'm leaving you breathless, biting your lip  
Leave you hanging on the heat of the next kiss  
Closing your eyes, wanting one more  
Leave those torn up clothes on the hardwood floor  
Get you all turned on, all untied  
Leave you thinking that you're losing your mind  
And I'm telling you baby, before the night is through, I'm leaving you  
I'm leaving you breathless  
I'm leaving you breathless

I'm leaving you breathless, biting your lip  
Leave you hanging on the heat of the next kiss  
Closing your eyes, wanting one more  
Leave those torn up clothes on the hardwood floor  
Get you all turned on, all untied  
Leave you thinking that you're losing your mind  
And I'm telling you baby, before the night is through, I'm leaving you  
I'm leaving you breathless (I'm leaving you)  
I'm leaving you breathless (breathless)  
I'm leaving you breathless
