

# You Can't Break the Fall

Joe Nichols

You think you're smart  
You think you're smooth  
You think that love can't get its hands on you

I'm living proof  
A man ain't that strong  
You got no choice when the right one comes along

'Cause you can't run  
And you can't hide  
When love's got you in its sites  
You might as well give up the fight  
When it calls  
'Cause you can't break the fall

You say it's got no chance  
You make no mistakes  
'Cause you've been close to the edge before and walked away

But your day's commin'  
Don't kid yourself  
And when it comes you'll be down before you know you fell

'Cause you can't run  
And you can't hide  
When love's got you in its sites  
You might as well give up the fight  
When it calls  
'Cause you can't break the fall

'Cause you can't run  
And you can't hide  
When love's got you in its sites  
You might as well give up the fight  
When it callse  
'Cause you can't break the fall
