Hold On

Joe Pace

Verse 1:
There may be a problem that's got you down.
sleepless nights, wondering why peace cannot be found.
I know you might be weary as you struggle through each day,
but don't give up and don't give in, God's gonna make a way.

Chorus:
(Hold on) hold on,
(it won't be long) be long,
(don't loose your song) be strong,
hold on, hold on.

(Hold on) hold on
(storm won't last long);
just keep the faith,
stand strong,
hold on.

Verse 2:
Sometimes you feel so all alone, like no one really cares,
God has a plan, He understands, and He'll always be there.
The race does not go to the swift, neither to the strong,
but to the one who can endure if you just hold on.

Bridge:
I know it may seem dark right now,
but don't give up the fight,
(don't give up the fight).
Remember that your weeping
will endure just for a night,
every single promise
the Lord made to you is true,
just hold fast, you will last the Lord will see you through.

Chorus 2:
(Hold on) hold on,
(it won't be long) be long,
(don't loose your song) be strong,
hold on, hold on.

(Hold on) hold on
(storm won't last long) last long,
stand strong,
hold on, hold on.

Chorus 1

Vamp 1:
Just hold on.
Just hold on.
Just hold on.

Vamp 2:
Hold on, the storm is a passing over,
just a little while longer you just...

Vamp 3:

Storm is a passing over.
