

Speak A Word

Joe Pace

Speak Lord, speak Lord
Speak a word into my soul
Glad to see that im in hope
My desire is to hear your words for me
My desire is to hear your words for me

Speak Lord, speak Lord
Speak a word into my soul
Glad to see that im in hope
My desire is to hear your words for me
My desire is to hear your words for me

It's through Your words i find peace
And my my mind be set free
Through Your word i can see
Every promise just for me
And through Your words i hear You speak
And my strength When i am weak
My desire is to hear your words for me
My desire is to hear your words for me

It's through Your words i find peace
And my my mind be set free
Through Your word i can see
Every promise just for me
And through Your words i hear You speak
And my strength When i am weak
My desire is to hear your words for me

My desire is to hear your words for me

So Lord speak a word
Lord speak a word
Lord speak a word
Speak a word into my soul
Lord speak a word
Lord speak a word
Lord speak a word
Speak a word into my soul
I need to hear from you
I need to hear from you
