

Stand

Joe Pace

Chorus:

Somebody told me if I stand,
God will make a way for me if I stand.

Verse 1:

Hold on, you can make it.
Be strong, you can take it.
Stand firm and hold your ground,
everything you need from the Lord,
shall be found.

Chorus

Verse 2:

Hold your head up, God will guide you,
He will be right there, right there beside You.
If you just trust in the Lord and never doubt,
I know that He will surely bring You out.

Bridge:

Hold on,
be strong,
stand tall,
I know God will make a way for me.

Vamp:

Stand up, stand up, stand up,
Stand up, stand up, stand up,
Stand up, stand up, stand up,
stand up and see that He is God.
