

You've Been Good

Joe Pace

When I think about all you've done for me
When I think about all you've done for me
When I think about all you've done for me
When I think
When I think about all you've done
You've been good

When I think about all you've done for me
When I think about all you've done for me
When I think about all you've done for me
When I think
When I think about all you've done
You've been good
You've been good
You've been good
You've been good
You've been good...
