

Let The Music Do The Talking

Joe Perry

Wanna take a chance and dance before
I got to leave alone.
One short song and she'll be gone
I wish her off was on
Gotta try, gotta try another way to get her
To come around to me.
Wanna take a chance and dance before
I got to leave alone.

Chorus:

Let the music do the talking
Let the music do the talking

There's just one more thing
I've gotta say
But, I'll explain a different way
You've gotta know I got an axe to grind
I know you won't mind
In your eyes I see the sky no question
Our hearts belong entwined
One last thing, our love
Is positively meant to be

Wanna take a chance and dance before
I got to leave alone.
One short song and she'll be gone
I wish her off was on
Gotta try, gotta try another way to get her
To come around to me.
Wanna take a chance and dance before
I got to leave alone.

Chorus:

Let the music do the talking
Let the music do the talking
