

Paris In The Morning

Joe Purdy

I'll show you Paris in the morning
I'll show you London after noon
And if you feel your Dublin heart burning
Yeah you don't have to worry 'cause we're going in soon
Yeah you don't have to worry 'cause we're going in soon

And it turns out Mona Lisa she knew nothing
Yeah she can't get much loving from a wall
Yeah and if some stranger tried to take you from me
First I'd rescue you then I'd punch him in the jaw
First I'd rescue you then I'd punch him in the jaw

We tried to sink in with the locals
It turns out they ain't mean but they still don't know
Yeah but I will do my best to speak the language to the rest
So I can buy you flowers, Wendy, everywhere we go
So I can buy you flowers, Wendy, everywhere we go

The children can't believe what they just saw
But after all this weather you don't need this damn umbrella
'Cause we'll be kissing by the water, feel the water
