

stompinggrounds

Joe Purdy

Well, don't you get in my way
'Cause I have made up my mind
And don't you try calmin' me down
'Cause I don't want to be calm this time

We have been here so long
And I can't stand to see your face no more
And I just wish you'd leave me alone
Long enough so I could get out your door

You're lookin' for your stompin' grounds
Hey love, you gotta look around
'Cause I'm skippin' town
Yeah, I'm skippin' town

Well, I ain't sayin' it's your fault
I'm just sayin' we're through
If I had to lay my finger down
Oh, you know it might be pointin' at you

All those fights that you'd pick
And all those things that you'd say
And all those times you made me cry
Tell you something, I won't be cryin' today

If you're lookin' for your stompin' grounds
Hey love, you better look around

Why're you takin' my hand
Can't you hear me?
Don't you understand?
I'm leavin, I'm leavin', I'm leavin' you

If you're lookin' for your stompin' grounds
Hey love, you better look around
If you're lookin' for your stompin' grounds
Hey love, I'm leavin' now

If you're lookin' for your stompin' grounds
Hey love, you better look around
'Cause I'm skippin' town
