

# I Believe

Joe Satriani

I've been out walking for hours.  
I've got something on my mind.  
How did we get here? where are we going?  
And why is life so hard?  
I read the stories, see the photographs.  
World's in a crazy space.  
I've got to hold on to my dreams;  
There's just no other place.  
There's just no other place.

Chorus:

I believe  
we can change anything.  
I believe  
we can rise above this.  
I believe  
there's a reason for everything.  
I believe  
in my dream.

I've seen the shadows of the living.  
Seen them turn and walk away.  
And I keep searching for the right words  
To send these thoughts away.  
There's a picture I like to look at,  
A picture of a beautiful face.  
And I see something in her eyes,  
Sends me to a better place.  
Sends me to a better place.

Chorus

I believe  
we can change anything.  
I believe  
in my dream.
