

# Drowning In The Sea Of Love

Joe Simon

I've been down one time  
And I've been down two times  
But now I'm drownin'  
Drownin' in the sea of love

Let me tell ya all about it

I've been out here so very long  
I've lost all of my direction  
Baby, when you came my way  
I thought I had found my protection

But a strong wind came into my life  
And surely took me by surprise  
And I can't seem to control these tears  
That's falling from my eyes

I've been down one time  
And I've been down two times  
But right now I'm drownin'  
Drownin' in the sea of love

Listen to me

Baby, I depended on you  
For our love navigation  
But now you gone and deserted me  
Can't you see that I'm in desperation

I'm in the middle of a bad love storm  
Ooh yeah, I just ain't ready for it  
I look around and all I can see  
Is water comin' over me

I've been down one time  
And I've been down two times  
But right now I'm kinda worried, baby  
'Cause I'm drownin' in the sea of love

All I do is cry  
All I do is walk around and cry  
But right now I'm drownin'  
Oh, I'm drownin' in the sea of love

I've been down one time  
And I've been down two times  
But I can't control myself  
I'm drownin'  
Baby, I'm drownin' in the sea of love

But that's alright  
I don't mind drownin' for your love  
That's alright, baby  
Hear me when I say it's alright

You got the kind of love  
That make me feel alright

You got the kind of love, baby  
That make me cry all night long  
You got the kind of love, baby  
Make me do things I don't wanna do ...
